Applicant Instructions

This tutorial will outline the steps required to complete an application.

Please use this link to access My Research Proposal: <http://bit.ly/myresearchproposal>

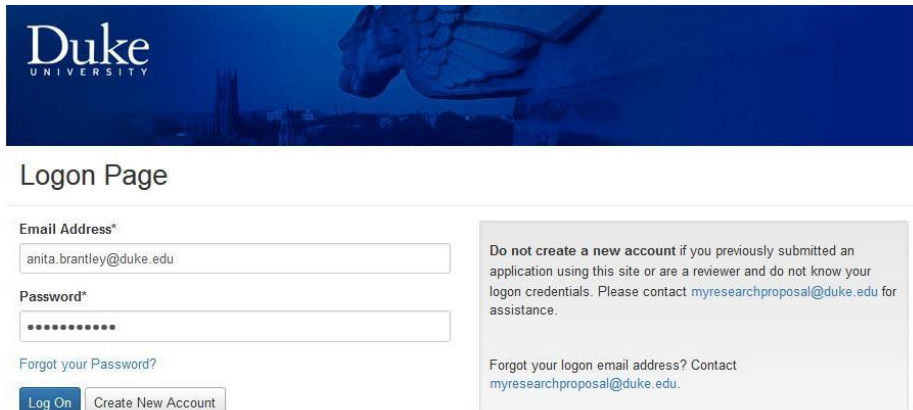

If you already have an account MyResearchProposal;

1. Enter your e-mail address, in the e-mail address field
2. Enter the password you were given by the foundation.
3. Press the “Log On” button.

If you have forgotten your password;

1. Click the Forgot Your Password link
2. It will then ask for your email address. Type your email address and click Send Reminder.
(Email: myresearchproposal@dm.duke.edu for any unresolved technical issues.)

If you do not have an existing account, click on Create New Account and follow instructions.

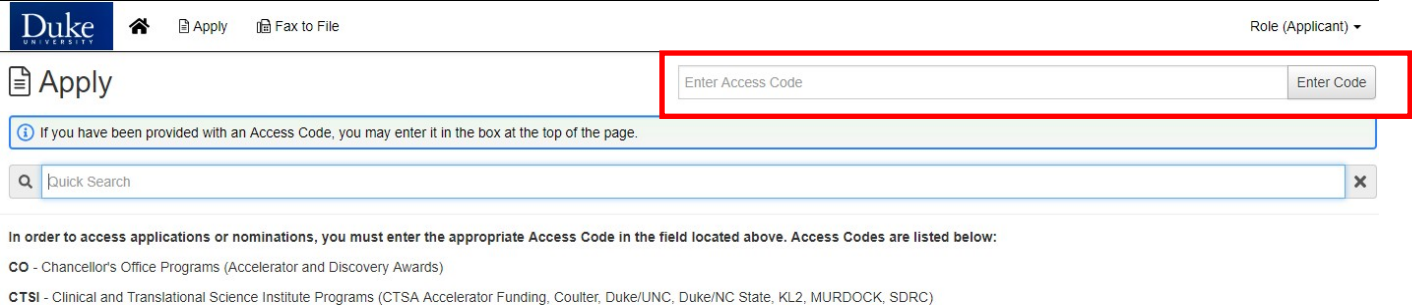

The screenshot shows the 'Logon Page' of the MyResearchProposal system. At the top is the Duke University logo. Below it, there are two input fields: 'Email Address*' with the value 'anita.brantley@duke.edu' and 'Password*' with masked characters. There are two buttons: 'Log On' and 'Create New Account'. To the right of the input fields is a grey box with text: 'Do not create a new account if you previously submitted an application using this site or are a reviewer and do not know your logon credentials. Please contact myresearchproposal@duke.edu for assistance.' Below this box is another line of text: 'Forgot your logon email address? Contact myresearchproposal@duke.edu.'

After logging into the system, you will be directed to the Applicant Dashboard Page. If you have a dual role, you will need to **change** the role **from** ‘Reviewer’ **to** ‘Applicant’.

You will be directed to the Applicant Dashboard. Click the Apply. Enter Access Code in the upper right hand box and click on Enter Code or the 'Enter' key on your keyboard. Scroll down.

 Apply

 If you have been provided with an Access Code, you may enter it in the box at the top of the page.

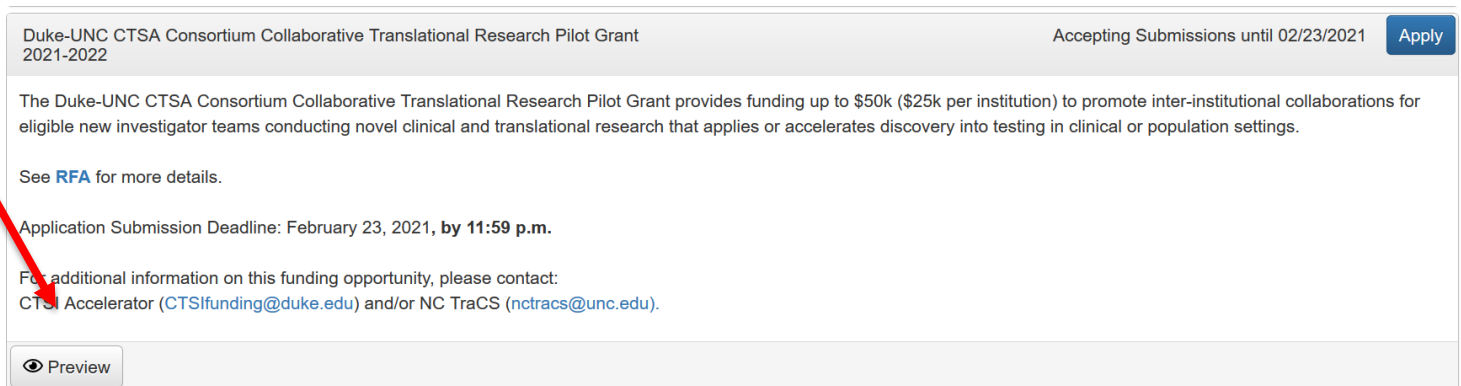

In order to access applications or nominations, you must enter the appropriate Access Code in the field located above. Access Codes are listed below:

- CO - Chancellor's Office Programs (Accelerator and Discovery Awards)
- CTSI - Clinical and Translational Science Institute Programs (CTSA Accelerator Funding, Coulter, Duke/UNC, Duke/NC State, KL2, MURDOCK, SDRC)

All applications under the code you enter will be listed with a short description of the award along with who to contact for program specific questions and generally a link to the full RFA.

Scroll down to find the award you wish to apply. If you wish to preview the application prior to applying, you may do so by clicking the 'Preview' button in the bottom left corner.

To apply, click the blue 'Apply' button to the right of the program. This will launch the application.

Copy Application:

When applicable, an applicant may copy answers from a previously submitted application. The application will not be automatically submitted – it will be in draft until the applicant submits the new application.

Note: This will also copy ‘file uploads’ from previous years application. Old file uploads will need to be deleted and new ones uploaded (if applicable).

Instructions:

- Once you have clicked Apply to the desired grant proposal

- The table will show a list of your previous existing Requests with answers that can be copied. (EXAMPLE Below)
- Note the number of matching answers and the date the request was created. You may have multiple requests as a returning applicant so please make your selection carefully.
- Any questions that have already been answered on the current form will NOT be overwritten by a copied answer, nor will the copied answer be added to the existing answer.
